Vaughan,

Please see the email below from the LU Project Manager for Warren Street - the quality was good too!

Thanks for your help,

Warren Street LUG Project - Nov 2010

John,

Can you please thank McNealy Brown for their great efforts to assist in the DiS of Warren Street over the past week.

Please pass this on from LU that this was very much appreciated for the way they stepped in at the last minute to help.

Regards
